

# GISELA HARIDAS

**MICROBIOLOGY/ MEDICAL LAB  
TECHNOLOGIST**

**DHA ELIGIBILITY ID: 65663132**

## **PROFESSIONAL EXPERIENCE**

## Profile Summary

Highly motivated and innovative result-oriented Microbiologist with 10+ years' experience from POLY LAB DIAGNOSTIC CENTRE. Skilled in all major areas of clinical laboratory system. Exceptional knowledge, having Post Graduation in Microbiology. Specialized knowledge of all diagnostic tests in medical microbiology, serology, immunology, and molecular biology. Strong technical skills relating to writing new procedures, maintaining databases, and process validations.

## Hobbies

## **Microbiology Technologist**

**POLYLAB DIAGNOSTIC CENTRE,  
KERALA, INDIA.**

**FROM MAY 2008 TO MARCH 2018 AND  
APRIL 2019 TO MARCH 2021.**

- Cultured samples, monitored growth, isolated bacterial colonies and performed diagnostic tests to identify suspected microorganisms.
- Perform Genomic extraction by ZybioNucleic Acid extraction and detection of viral load through PCR by Bio-Rad RTPCR machine.
- Handle fully automated immunoanalyser VIDAS(ELFA) technology.
- Performing serological tests and ELISA.
- Recording, analyzing and interpreting data Analyze fluid samples to determine how patients are reacting to treatments.
- Prepares and interprets gram stains, Acid Fast stains.
- Maintaining clinical logo sheet and inform the concerned doctors and Infection control Department.
- Anti-microbial sensitivity testing by Kirby Bauer method. ATCC culture and maintenance.
- Ensuring that data is recorded accurately in accordance to guidelines.
- Maintains and manages the daily quality control records in the clinical laboratory department related to microbiology.
- Detection of antibodies produced by the patient in response to an infecting organism.
- Testing the strength and virulence of microbes using a variety of biochemical and molecular methods to determine organisms that cause infection.
- Collaborating and liaising with healthcare professionals and industrial or clinical colleagues. Analysis of body fluids and determine the presence of bacteria and virus.

## Areas of Expertise

---

- Laboratory testing
- Diagnostic skills
- Managing a laboratory project.
- Measuring antibody response to infection
- Detection of microbial antigens.
- Clinical laboratory technology

## Accomplishments

---

- Created 100% error-free documentation.
- Performed moderately complex testing in a way that maintained high-quality patient care.
- Assisted in the general lab and clerical duties

## Skills

---

- Excellent written and oral communication skills.
- Good teamworking skills
- Analytical skills
- Time management
- Hand-Eye Coordination
- Data Analysis.
- MS Office and database systems
- Excellent team work interactions.

## Languages Known

---

English, Hindi, Malayalam.

## EDUCATION & TRAININGS

---

- ✓ **MSc - MICROBIOLOGY**  
(Post- Graduation)  
Bangalore University, Bangalore -India 2004 - 2006
- ✓ **BSc MICROBIOLOGY**  
(Graduation)  
Kannur University, Kerala-India 2001 – 2004.
- ✓ Attended National conference of Clinical Microbiologists and Biochemists. (ACMBCON 2016), University of Calicut in the year 2016.
- ✓ Attended Laboratory Quality Improvement Program by Kerala Private Medical Technicians Association at Calicut in the year 2015.
- ✓ Completed Two months training in the QUALITY CONTROL Department, MILMA (Malabar Regional Cooperative milk producers ) at Kasargod, Kerala.

## LICENSURE & CERTIFICATIONS

---

- Healthcare Professional Registration Certificate from Dubai Health Authority. DHA unique ID: 65663132
- Association of Clinical Microbiologist and Biochemists, ACMB: ACMB/REG/1014/15

## PERSONAL DETAILS

---

Date of Birth : 02-04-1984  
Husband's name : Haridas A V  
Nationality : Indian  
Visa Status : Visit Visa  
Passport Number : V2122897
