ABOUT ME

Dedicated & compassionate Registered Nurse with over 1.5 years of experience delivering high-quality patient care in diverse healthcare settings. Proven expertise in assessing, planning & implementing nursing care plans to promote optimal well-being. Skilled in collaborating with interdisciplinary teams to achieve positive patient outcomes. Known for exceptional communication skills, fostering patient trust, and maintaining a calm demeanor in high-pressure situations. Emotional stability to cope with human suffering, emergencies and other stresses. Offering leadership qualities with a positive attitude Committed to continuing education and professional development to enhance clinical skills and contribute to the highest standards of healthcare.

WORK EXPERIENCE

STAFF NURSE | 26/10/2022 to 25/05/2024

**Iqraa International Hospital and Research Center Kozhikode,
Kerala, India**

Department : Surgical ICU

DUTIES & RESPONSIBILITIES

- ❖ Provide direct patient care in the Surgical Intensive Care Unit (ICU) and Outpatient Department, ensuring the delivery of high-quality and compassionate nursing care.
- ❖ Monitor patients' conditions, vital signs, and symptoms, promptly identifying any changes or complications and initiating appropriate interventions.
- ❖ Administer medications, treatments, and procedures as prescribed by physicians, following established protocols and ensuring patient safety.
- ❖ Assist in surgical procedures and post-operative care, ensuring proper positioning, monitoring vital signs, and assessing wound healing.
- ❖ Collaborate with physicians and other healthcare professionals in formulating and implementing comprehensive care plans for patients.
- ❖ Educate patients and their families about their conditions, medications, and self-care techniques, promoting understanding and adherence to treatment plans.
- ❖ Document patient care effectively and accurately, maintaining detailed and up-to-date medical records.
- ❖ Ensure compliance with infection control protocols and maintain a clean and safe environment for patients and staff.
- ❖ Assist in the triage of patients in the Outpatient Department, assessing their needs and prioritizing care accordingly.
- ❖ Provide nursing care for patients undergoing outpatient procedures, including pre-operative assessments, administration of medications, and post-operative monitoring.
- ❖ Stay updated on advancements in nursing practices and participate in continuous education and professional development opportunities to enhance skills and knowledge.
