ACADEMIC QUALIFICATION

DIPLOMA IN PHARMACY | Priyadharshini institute of paramedical science, Government medical college
THIRUVANANTHAPURAM, Kerala | 2015 - 2018

WORK EXPERIENCE

Sabba Njoom Pharmacy, Sharjah | 2023 - 2025

ASSISTANT PHARMACIST

- Managed daily pharmacy operations, ensuring compliance with MOH standards and maintaining accurate records of prescriptions and inventory.
- Dispensed medications with precision, prioritizing patient safety and satisfaction while adhering to strict regulatory guidelines.
- Conducted detailed patient counseling sessions, providing clear instructions on medication usage, side effects, and storage requirements.
- Streamlined inventory management processes, reducing stock discrepancies and ensuring optimal availability of medications.

Govt. Medical College, Thrissur, Kerala | 2019 - 2023

HOSPITAL PHARMACIST

- Managed high-volume medication dispensing, ensuring accuracy and adherence to safety protocols in a fast-paced hospital environment.
- Trained and mentored junior staff on pharmacy protocols, enhancing team efficiency and delivering exceptional customer service.
- Played a critical role during COVID-19, ensuring uninterrupted pharmaceutical care and maintaining infection control measures.
- Conducted drug interaction checks and collaborated with healthcare teams to optimize treatment plans and improve patient outcomes.
- Educated patients on medication usage, side effects, and lifestyle modifications, enhancing adherence and treatment effectiveness.
- Implemented inventory control measures, minimizing wastage and ensuring the availability of critical medications at all times.

Govt. Medical College Employees Co-operative Society, Kerala | 03/2019 - 06/2019

RETAIL PHARMACIST

- Built strong relationships with prescribers and patients, ensuring accurate and timely medication dispensing.
- Provided personalized healthcare advice, improving customer satisfaction and fostering long-term loyalty.
- Managed inventory effectively, maintaining optimal stock levels and minimizing shortages of essential medications.
- Educated patients on over-the-counter medications, enabling informed decisions about preventive healthcare measures.
- Promoted healthcare products and services, contributing to increased store revenue and customer engagement.

ADDITIONAL INFORMATION

- Additional Certification:** MOH (UAE) License
- Languages Known:** English, Hindi, Malayalam

ACHIEVEMENTS

- Recognized for exceptional patient care and adherence to MOH standards during pharmacy inspections.
- Received positive feedback from patients for providing clear and empathetic medication counseling.
