EXPERIENCE

- July 2016 – Current

Anesthesia Technician, Type-c Hospital Takht-e-Nasrati, District Karak, KPK, Pakistan.

- Operated invasive hemodynamic monitoring equipment, intubation bronchoscopes and ultrasonic scanning devices under direction of licensed anesthesia provider.
- Maintained and cleaned anesthesia machines by changing soda-lime refilling vaporizers with anesthetic agents and replacing nitrous, oxygen and air cylinders.
- Accessed and reviewed safety data sheets (SDS) of hazardous materials and latex allergy items used in anesthetizing location.
- Provided airway management interventions, tracheal intubation and ventilator support.
- Verified availability of operating room supplies, medications and gases.
- Participated in consultations and preoperative assessments with anesthesiologists before surgeries.
- Handled emergency situations by stepping in to perform CPR on patients until anesthesiologist arrive.
- Maintained sterile anesthesia supplies with an expiration date.
- Followed infection control procedures to maintain cleanliness of anesthesia monitors and apparatuses.

September 2010 – September 2012

Admin Assistant, Azex Solutions, Islamabad, Pakistan.

- Performed routine clerical tasks by scanning, copying and filing documents.
- Arranged conference rooms and facilities to prepare for meetings.

- Composed, edited and prepared correspondence and other department documents.
- Maintained office equipment and placed orders for materials in short supply to manage office supply inventory.
- Restocked supplies and placed purchase orders to maintain adequate stock levels.
- Scheduled office meetings and client appointments with staff.

HOBBIES

Reading Books, Cricket.
