AMMAR ELHASSAN

ABOUT ME

I'm **MOH** Licensed Medical Lab Technologist with a **Master's Degree** in Microbiology and Immunology (**Grade Excellent**). **Having a 2 years and half** of hands-on experience (6 months UAE experience) plus 5 months training in Dubai Police Hospital. As per my experience i do have a phenomenal skills in collecting and processing biological samples following established techniques and procedures. During my training i gained a convenient knowledge related to **CAP** and **ISO** accreditation. Very Fluent in English with **IELTS** Equivalent to **6.5**. Attended an enormous number of workshops and courses in Molecular techniques, quality control and many other disciplines related to medical laboratory sciences. Amazingly capable of performing internal quality control checks, verifying analyzers performance while maintaining a high level of attention to detail work. Collaboratively and cheerfully with co-workers and deal tactfully with patients and visitors.
