My goal is to continually expand my design skills and knowledge in architecture and design at a professional level, Belief in dedication , Hardwork and eagerness to learn , Make me valuable asset on any team

Architecture is the learned game , correct and magnificent , of form assembled in the light .

\_\_\_ Le corbusier

### ABOUT ME

I believe in the power of architecture, in its ability to passively but profoundly influence all spheres of life. Architecture for me is an interdisciplinary field of art that transcends time and space . It should show genuine respect for the environment , people and universe . To these ends , I will continue to work . Learn and immerse myself in the field to create to the best of my ability.
