PROFESSIONAL SUMMARY

Skilled Nurse Assistant with exceptional organization skills, strong interpersonal communication ability, and extensive knowledge of medications and their use. Experienced pharmacist places a strong focus on attention to detail and excels in accuracy to guarantee patients are cared for and prescribers have confidence. Dedicated professional ensures that all safety protocols and security measures are adhered to in meeting the high standards of the field.

SKILLS

Excellent communication and active listening skills to ensure that patient and customers understand their medications and how to take them.
Extensive education and training to guarantee that I am constantly up to date on the newest research and information regarding medications.
Ability to hear and understand what others are saying and oral expression skills that allow me to explain a complicated topic in a Simple way that they can understand.
Strong sensitivity to problems that may arise when issues with prescribers patient or drug companies are present.

Intense focus and attention to detail to minimize mistakes and unnecessary expenses for both the drug companies and the pharmacy.

Exceptional social perception, facilitating the understanding of concerns and issues of both patients and prescribers as they arise.

Instructing skills that allow me to teach others how to do things better rather than just doing jobs for them
