Interaction with both medical and non-medical staff to ensure patients to receive quality treatment.

## QUALIFICATION

### **MBBS (Session 2007-2012)**

Independent Medical College, Faisalabad, Punjab, Pakistan.

### **FCPS (DIAGNOSTIC RADIOLOGY) OCT 2020**

College of Physicians and Surgeons, Pakistan. (CPSP)

## WORK EXPERIENCE

### **GOVT. GENERAL HOSPITAL- 224/R.B, Faisalabad, Pakistan.**

Working as **Consultant Radiologist since Feb. 2021 to date.**

Perform grey scale and Doppler ultrasound imaging, USG-guided aspirations, FNAC, Biopsies.

Do reporting of all types of X-rays and CT scan.

Do team work where required for better and accurate diagnostic yield to approach for appropriate treatment options for patients.

### **ISLAMABAD DIAGNOSTIC CENTER, Faisalabad, Pakistan.**

Worked as **Assistant consultant Radiologist** (Dec. 2021 to Nov. 2022)

Perform ultrasound imaging, reporting of all types of X-rays, CT scan and MRI studies.

### **THQ HOSPITAL, Chak Jhumra, Faisalabad, Pakistan.**

Worked as **Women Medical Officer in Radiology Department** (Mar. 2020 to Feb. 2021)

Perform ultrasound imaging as well as USG-guided procedures. Also do reporting of all types of X-rays.

### **DHQ Hospital, Chiniot, Pakistan.**

Worked as **Women Medical Officer in Radiology Department**  
(Nov. 2019- Feb. 2020)

Perform ultrasound imaging as well as USG-guided procedures. Also do reporting of all types of X-rays .

### **Faisalabad University Hospital (Allied Hospital), Pakistan.**

**Postgraduate Resident in Radiology Department** (July 2015 to June 2019)

- Attended Workshops on

Communication skills (08-10 April 2016 at College of Physicians & Surgeons of Pakistan, Faisalabad Chapter, Pakistan.)

Introduction to computer and internet (04-06 June 2016 at College of Physicians & Surgeons of Pakistan, Faisalabad Chapter, Pakistan.)

Research and methodology, biostatistics & dissertation writing ( 18-21 May 2016 at College of Physicians & Surgeons of Pakistan, Faisalabad Chapter, Pakistan.)

- Rotational training of 1 month in General nuclear medicine in Pinum Cancer Hospital, Faisalabad, Pakistan. (01-08-2017 to 31-08-2017)
- Rotational training of 1.5 months in Angiography department in Faisalabad Institute of Cardiology, Faisalabad, Pakistan. (02-06-2017 to 22-07-2017)

### **Independent Medical College, Faisalabad, Pakistan.**

**House job (April 2013 to Mar. 2014) (Aug. 2014 to Dec. 2014)**

- Pediatric Medicine (6 Months).
  - Ophthalmology, Surgery (6 Months)
  - Diagnostic Radiology (5 Months)
-

## **POSTGRADUATION WORKSHOPS AND CONFERENCES**

- Attended Workshops on  
Body Imaging (07-04-2018 in Faisalabad Medical University, Faisalabad, Pakistan).  
MRI Knee (04-04-2019 in Faisalabad Medical University, Faisalabad, Pakistan).  
RFA of Liver tumors and image guided biopsies (05-04-2019 in Faisalabad Medical University, Faisalabad, Pakistan).  
  
Pediatric Imaging of Radiographs & USG (25-03-2022 in Faisalabad Medical University, Faisalabad, Pakistan).  
  
HRCT Chest (25-03-2022 in Faisalabad Medical University, Faisalabad, Pakistan).  
  
Cardiac MRI (24-02-2023 in Faisalabad Medical University, Faisalabad, Pakistan).
- Attended seminar on Advanced Technologies in Doppler Ultrasound – micro vascular imaging, shear wave elastography and fat quantification as liver assessment tool, fetal echocardiography & basic of obs/gynae ultrasound imaging (09-12-2021)- Body imaging RSP.
- Attended scientific sessions on Hepatobiliary Imaging (25-02-2023)

## **RESEARCH EXPERIENCE:**

Published one article in cervical imaging on MRI for diagnosis of cervical Carcinoma published in International Journal Of Medical Science And Advanced Clinical Research (IJMACR) - May, June 2021.
