

DONA VARGHESE

REGISTERED NURSE

MOH EVALUATION -ID: 3 3 3 5 2 3 6

OBJECTIVE

Experienced and dedicated Registered Nurse with a background in providing exceptional medical and surgical care. Proficient in assessing and monitoring patients' health conditions, developing comprehensive care plans, and administering treatments with precision. Skilled in collaborating with multidisciplinary teams to ensure efficient delivery of services and optimal patient outcomes. Committed to patient education and post-discharge care to promote overall well-being. Passionate about delivering high-quality nursing care and contributing to positive healthcare experience

WORK HISTORY

REGISTERED NURSE - MEDICAL & SURGICAL WARD

From 11, January 2021 to August 30, 2024

St Joseph's Mission Hospital, Mananthavady, Wayanad, Kerala, India

- Assessed and monitored patients' health conditions, developed, and implemented care plans, and provided comprehensive nursing care by established protocols.
- Administered medications, treatments, and procedures as prescribed by physicians, maintaining a high level of accuracy and attention to detail.
- Observing and monitoring patients closely after surgery to assess vital signs, pain levels, and overall recovery.
- Collaborated with multidisciplinary teams to coordinate and plan patient care, ensuring seamless communication and efficient delivery of services.
- Educated patients and their families on health management, medication administration, and post-discharge care plans.
- Discussed patient care and treatment with care team members to optimize intervention plans and care delivery.
- Responded promptly to emergencies, provided immediate interventions, and coordinated with the healthcare team for optimal patient outcomes.
