

MANJUR ALI KHAN

General Practitioner

00971507908644
manjuralikhan68@gmail.com
United Arab Emirates, Dubai

As a highly experienced General Practitioner in the field of medicine, I have had the opportunity to work with a diverse group of patients and develop a wide range of skills. With over 2 years of experience, my biggest achievement has been successfully diagnosing and treating complex medical conditions. My strong communication skills have allowed me to build trusting relationships with patients, ensuring their comfort and understanding throughout their treatment. I am also skilled in time management and multitasking, allowing me to effectively handle a high volume of patients while maintaining quality care. My passion for continuous learning has led me to stay updated with the latest advancements in the medical field, enabling me to provide the best possible treatment for my patients. With my exceptional attention to detail and strong analytical skills, I am confident in my ability to excel as a General Practitioner.

Date of birth:	4 October 1995

Experience

- February 2024 - Now

General Practitioner

GCM Clinic Al Quoz / United Arab Emirates, Dubai

As a General Practitioner at GCM Clinic Al Quoz in the United Arab Emirates, I provided comprehensive medical care to patients of all ages and backgrounds. With over 1 year of experience in this role, I have honed my skills in diagnosing and treating various illnesses and managing chronic conditions. My passion for delivering high-quality healthcare has allowed me to build strong relationships with my patients and provide them with the best possible care.

 - Conducted thorough patient consultations
 - Ordered and interpreted diagnostic tests
 - Prescribed appropriate medications
 - Managed chronic conditions for long-term patients
- May 2023 - December 2023

Junior Resident Doctor (Critical Care Department)

CKS Multi-Speciality Hospital / India, Sikar

Education

- M.B.B.S.

- 2020

Pacific Institute of Medical Sciences
India, Udaipur
- G.P. License

Dubai Health Authority (D.H.A.)
United Arab Emirates, Dubai
- Basic Life Support (B.L.S.)

Dubai Corporation For Ambulance
Services (DCAS)
United Arab Emirates, Dubai
- Internal Medicine Ongoing Fellowship

During my time as a Junior Resident Doctor in the Critical Care Department at CKS Multi-Speciality Hospital in India, I gained valuable experience in providing high-quality medical care to critically ill patients. I worked closely with a team of doctors, nurses, and other healthcare professionals to ensure the best possible outcomes for our patients.

- Assisted in diagnosing and treating critical care patients
- Monitored patient progress and administered necessary treatments
- Conducted rounds with senior doctors to discuss treatment plans
- Collaborated with interdisciplinary team to provide comprehensive care

April 2021 - April 2023

Junior Resident Doctor (Medicine Department)

Nobel Hospital / India, Sikar

As a Junior Resident Doctor in the Medicine Department at Nobel Hospital, I provided high-quality medical care to patients while working under the supervision of senior doctors. I gained valuable experience in diagnosing and treating a variety of medical conditions, while also participating in rounds, consultations, and surgeries. My time at Nobel Hospital allowed me to further develop my skills and knowledge in the field of medicine, preparing me for future roles as a doctor.

- Diagnosed and treated various medical conditions
- Participated in rounds, consultations, and surgeries
- Worked closely with senior doctors to provide quality care
- Gained valuable experience in the field of medicine.

February 2020 - February 2021

Internship

Pacific Institute Of Medical Sciences / India, Udaipur

During my time as an Intern at Pacific Institute Of Medical Sciences in India from February 2020 to February 2021, I gained valuable experience in the medical field and contributed to the daily operations of the institute. I was able to apply my knowledge and skills from my coursework and learn from experienced professionals.

- Assisted with patient care and treatment
- Conducted research projects on various medical topics
- Participated in hospital rounds with doctors
- Completed training program and received certification
