### Work Experience

#### Emergency medicine - Dr. Sulaiman Al Habib Medical Group

May 2010 - Present

#### Emergency medicine - Aljurjania Hospital

April 2008- April 2010

After getting back from Saudi Arabia to Syria, I worked as a specialized emergency doctor in the intensive care supervisor (ICU) until I traveled to Saudi Arabia.

#### General practitioner - Anchorage border Jizan

Mar 2003 - Mar 2008

#### General practitioner - Clinic and military service

Mar 1994 - May 1996

I opened my own clinic and then continued my military service by working in the military's hospitals and clinics for two years starting from 1994 until 1996.
