# Introduction

---

Expert Solutions Documents Clearing Company was founded in 2017 to provide distinguished quality services related to company setups, visa processing, and government department dealings. As a family team, we work toward one objective, the satisfaction and happiness of clients.

## OUR MISSION:

Our services are differentiated by the quality that sets us apart from others. We treat each and every Client as a VIP with our client-focused approach. Quality assurance is the foundation of our work. Due to our current knowledge of rules & regulations and flexibility in work ability, we are able to complete tasks quickly, accurately, and efficiently.

## THE VISION:

On the horizon, we want to be the only company with our level of skills, attitude, professionalism, and services. A professional attitude and skilled manners will enable us to lead the market.

## We value the following:

Putting the client first

With a fast track strategy and transparency

Managing for Organizational Integrity

Straightforward Sponsorship

## Company Registration

- Company Formation
- Trade License
- Local Sponsorship
