Dear Hiring Manager,

I am writing to express my interest in the Registered Nurse position at your esteemed healthcare facility. I completed my Bachelor of Science in Nursing from Government Medical College, Thrissur, in April 2023. Since then, I have been working full-time as a Registered Nurse in the Neurosurgery ICU Department at Government Medical College Hospital, Thrissur, one of the busiest hospitals in South India with 1,436 beds.

During my four-year nursing course, I gained 4,010 hours of clinical experience across various departments, including OPD, IP, ICUs, ER, OT, Pain & Palliative Care, Labour Room, and Psychiatry. This extensive training at Government Medical College Hospital, District Hospital Thrissur, and peripheral community centres helped me develop strong healthcare skills.

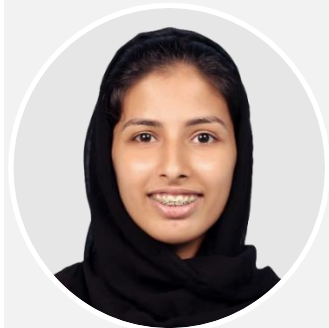

My qualifications include one year of ICU experience, ACLS and BLS certifications, and proficiency in MS Office. I hold a KNMC license, a DHA eligibility letter, and have passed the DHA Prometric exam, demonstrating my readiness to meet regulatory standards and provide high-quality patient care.

I am confident in my ability to work effectively as part of a multidisciplinary team, with a strong foundation in patient assessment, medication administration, and care planning. My commitment to continuous learning ensures that I stay updated with the latest advancements in nursing practice.

I am enthusiastic about the opportunity to contribute to your team. Please contact me at +971551099468 or faracr99@gmail.com to arrange a convenient meeting time. Thank you for considering my application.

Sincerely,

FARHATH CHERUPURAM RASHEED
