WORK EXPERIENCE

MEDICAL CODER

Optum Health and Technology Pvt Ltd. Chennai, India
January - 2023 to December - 2024

PROJECTS

WellBe Senior Medical

- Accurately assigned ICD-10-CM, CPT, HCPCS and E&M codes to patient medical records.
- Collaborated with physicians to clarify and resolve discrepancies in medical records and improve overall documentation accuracy.
- Utilized advanced coding software and tools to process and review claims, improving coding efficiency and reducing claim rejections
- Consistently achieved over 95% quality accuracy, ensuring precise coding while adhering to industry standards, reducing claim denials and improving reimbursement timelines.

Optum WellMed, Processing Review

- Managed day to day review processes for a high-volume project, ensuring accurate and compliant coding of medical records in outpatient services. Utilized advanced coding software and tools to process and review claims, improving coding efficiency and reducing claim rejections

Optum WellMed, Auditing Review

- Accurately coded medical records for both inpatient and outpatient settings, capturing ICD-10 codes in compliance with the most current coding guidelines and payer requirements.
- Performed year-over-year analysis of coding patterns and trends, identifying opportunities for process improvements and ensuring compliance with regulatory changes
