ABOUT ME

I am an experienced Medical Lab Technologist with 4 to 6 years of hands-on experience working in a JCI and ISO-accredited healthcare organization. Throughout my career, I have honed my skills in performing a wide range of diagnostic tests, maintaining high standards of accuracy, and ensuring the highest level of patient care. In my role, I have been responsible for conducting laboratory tests, analyzing samples, and managing laboratory equipment, while strictly adhering to both JCI and ISO standards. My work focuses on quality control, meticulous record-keeping, and continuous process improvement to enhance laboratory performance and patient safety.
