Available in UAE to join immediately.

Seasoned medical professional with substantial experience in the field of General Practice, eager to secure a challenging position that enables me to apply my vast knowledge and proficiency in providing exceptional patient care. I am also committed to supporting the growth and progress of the organization through my clinical expertise and strategic insights.

EXPERIENCE

Junior Doctor/ Medical Officer, Critical Care Department

May 2021 – Jan 2024

Apollo Adlux Hospital, Kochi, Kerala, India

- Actively participated as a member of the CODE BLUE TEAM and RAPID RESPONSE TEAM, demonstrating effective response in high-pressure situations and seamless collaboration with the medical team to deliver emergency and critical care.
- Proficient in performing IV cannulation, Foley Catheterization, NG tube insertion.
- Trained in common intensive care medical procedures such as Arterial Catheterization (Radial and Femoral access), Central Venous Catheterization (Internal Jugular, Subclavian, and Femoral venous access), Endotracheal Intubation, Chest Tube Insertion, Paracentesis, Thoracentesis, and Lumbar Puncture.
- Demonstrated expertise in maintaining aseptic technique during the insertion and care of indwelling catheters, ensuring a high standard of infection control in clinical practice.
- Actively participated in the initiation and monitoring of mechanical ventilation, contributing to the comprehensive care of critically ill patients.
- Acquired proficiency in performing Basic Critical Care Ultrasound, enhancing diagnostic capabilities, and contributing to improved patient care.
- Effectively communicated medical procedures and interpreted diagnostic tests, promoting clear understanding between healthcare providers and patients.
- Successfully operated in a fast-paced environment, showcasing the ability to adapt and excel under pressure while maintaining the highest standards of patient care.
- Monitored and evaluated vital signs and administered medications as per the prescribed protocols.
- Conducted regular patient rounds and reported any changes in their condition to the attending physician.
- Documented patients' medical history and treatment plans accurately in electronic medical records.

General Practitioner (GP)/ Medical Officer

Nov 2018 - Nov 2019

Employees State Insurance Corporation, Kerala, India

- Provided medical services to patients covered under the Employees' State Insurance Scheme, including primary and emergency care.
- Conducted regular medical examinations and diagnostic tests to evaluate patients' health status and determined appropriate treatment plans.

- Managed patient care and provided counselling on health promotion and disease prevention measures.
- Reviewed insurance claims and determined the eligibility of patients for medical benefits under the scheme.
- Liaised with other healthcare providers, including hospitals and clinics, to coordinate patient care and ensure optimal health outcomes.
- Maintained accurate medical records of patients in electronic medical databases.
- Conducted regular medical audits and quality assessments to ensure adherence to medical standards and regulations.
- Participated in medical emergencies and provided medical support during disasters and outbreaks.

Residential Rotatory Internship

July 2017 – July 2018

Jubilee Mission Medical College and Research Institute, Thrissur, Kerala, India

- Rotated through various clinical departments, including Medicine, Surgery, Obstetrics and Gynaecology, Pediatrics, and Emergency Medicine.
- Assisted in the care of patients and participated in daily rounds and patient consultations under the supervision of senior medical professionals.
- Assisted in minor surgical procedures and observed major surgeries in the operating room.
- Conducted routine diagnostic tests, including blood tests and imaging studies, and interpreted results.
- Maintained a high level of professionalism and demonstrated effective communication skills while interacting with patients, families, and other healthcare providers.
- Complied with hospital policies and procedures, including infection control measures and safety protocols.
