### PROFESSIONAL SUMMARY

Self-motivated, proactive, optimistic person with almost 2 years of professional experience and CPC Certified Medical Coder with passionate desires toward the accurate coding skills and high productivity to meet organisational standards/ procedures. I'm seeking a good opportunity in a reputed organization where my potentials will be fully discovered while working for the company dedicatedly.

### CAREER HIGHLIGHTS

- Worked as a CPT Professional, Inpatient & Outpatient Facility and HCC Coder with good multitasking abilities on time, that has led to inclusion of FHCA, Anthem, Humana Projects in 4 months and has led to a 11% increase in firm's revenue.
- Worked as an Audit Reviewer of IP & OP Medical Records for Episource, which proves that I'm competent at evaluation, processing and handling of claims.
- Formerly worked for an US Client in Wellmed Project and maintained strict confidentiality related to Medical Records and other data (HIPAA follower).
- Coordinated with my bygone BPO insurance company's new policies and their coverage of diverse outpatient projects, based upon client's need (Medicare, Medicaid & other Commercial Payer's guidelines).
- Proficient for assigning and sequencing of accurate and complete codes for diagnoses and procedures by using CPT/HCPCS in compliance with ICD10CM.
- Accounts for coding and abstracting of patient encounters, including diagnostic & procedural information, significant reportable elements, complications using ICD10CM, CPT, ICD10PCS with 99% accuracy.
- Audits clinical documentation and coded data to validate documentation supports services rendered for reimbursement and reporting purposes as a result served 10% in company's deadline submission on time.
- Assists team leader/ supervisor in orienting, training and mentoring staff and serves as resource & subject matter expert to other coding staffs as a result completion of team's target.
- Upright rapport with workmates and liaise with employees regarding their eligibility & entitlements.
