To utilize my skills and knowledge acquired during my academic and clinical exposure through rendering a quality service to an institution where I can be a competitive Medical Technologist.

SKILLS SUMMARY

- Proficient in the use of English language both written and oral.
 - Proficient in basic computer skills, background with computer operating system.
 - Phlebotomy
 - Conduct Oropharyngeal and/or Nasopharyngeal swab for COVID-19.
 - Knowledgeable in handling, calibrating, and trouble shooting of the following equipment per section:
 - A. HEMATOLOGY**
 - 1. MINDRAY BC5180
 - 2. COUNCELL PENTA
 - 3. SWELAB ALFA PLUS
 - 4. COADATA 504
 - B. CHEMISTRY**
 - 1. COBAS C111
 - 2. COBAS B101
 - 3. VITROS 250 ANALYZER
 - 4. WONDFO
 - 5. EDIF DUO
 - 6. BTS 350
 - 7. BIOSYSTEM A15
 - C. IMMUNOLOGY AND SEROLOGY**
 - 1. VIDAS PC
 - 2. BIOMERIUX MINI VIDAS
 - 3. ICHROMA
 - D. BLOOD BANKING**
 - 1. GEL TECH
 - E. CLINICAL MICROSCOPY**
 - 1. COBAS u6500
 - 2. INSIGHT u500 URINE ANALYZER
 - F. MOLECULAR LABORATORY**
 - 1. BIOFIRE FILMARRAY 2.0
- ❖ Knowledgeable of manual laboratory procedures such as:
- i. Manual Differential Count
 - ii. Manual Urinalysis
 - iii. Manual Semen Analysis and Intrauterine Insemination (IUI)
 - iv. Manual Crossmatching
 - v. ANA Screening test
 - vi. ASO, CRP, RPR, and RA Titer test
 - vii. TPHA (TREPONEMA PALLIDUM HEMAGGLUTINATION)
 - viii. Gram staining, AFB stain, India Ink, Germ Tube, KOH
- And other related laboratory procedures.
- Can easily relate to situations, experiences and emotionally stable.
 - Understand and carry out oral and written policies and procedures.
 - Can work under pressure and minimal supervision.

WORK EXPERIENCE

- **MEDICAL CENTER MANILA** **January 9, 2022 – June 25, 2022**
 - United Nation, Ermita, Metro Manila, Philippines
 - Tertiary Hospital
 - Worked as a Generalist with strong training in phlebotomy and swabbing.
- **ST. LOUIS HOSPITAL** **August 1, 2020 – December 5, 2021**
 - Purok Yellowbell, New Isabela, Tacurong City, Sultan Kudarat, Philippines
 - Tertiary Hospital
 - Worked as a Generalist with strong training in phlebotomy specifically neonates and geriatric patients.

- **PASIG DOCTORS MEDICAL CENTER** **September 25, 2017 – July 30, 2020**
 - 254 Amang Rodriguez, Manggahan, Pasig City, Metro Manila
 - Tertiary Hospital
 - Worked as a Generalist, Direct Sputum Smear Microscopist, HIV Proficient, and Laboratory Supplies Inventory In-charge.
- **DR. ARTURO P. PINGOY MEDICAL CENTER** **2016 – 2017**
 - General Santos Drive, Koronadal City, Philippines
 - Tertiary Hospital
 - **Clinical Internship**
 - Learns all the needed information and practices it in the laboratory settings guided by Registered Laboratory Technologists.

LICENSES AND CERTIFICATION

- **Dubai Health Authority (DHA) Eligible**
 - Registration Title: Allied Health – Technologist – Medical Laboratory
 - Registration Certificate Expiry Date: September 15, 2022
- **Professional Regulation Commission (PRC), Philippines**
 - Registered Medical Technologist (RMT) with **84.10%** rating
 - Valid Until: June 02, 2024

SEMINARS AND WORKSHOPS ATTENDED

1. Microbiology Seminar and Workshop
2. VITROS 250 key Operator Training
3. Prevention and Control of Infection Module
4. Training on Basic Direct Sputum Smear Microscopy
5. HIV Proficiency Training-Workshop
6. VIDAS PC (A fully automated for Immunology Testing)
7. Training on Collection and Handling of Nasopharyngeal and Oropharyngeal Specimen
8. Updates on Phlebotomy
9. Basic Operations Training on FilmArray Torch

EDUCATION

- **BACHELOR OF SCIENCE IN MEDICAL TECHNOLOGY**
 - **ST. ALEXIUS COLLEGE** - Gensan Drive, Koronadal City, 9506 Philippines
