🪪 PROFILE

Medical Coder with a background as a General Dentist, bringing strong expertise in medical terminology and patient care. Adept at accurately coding medical records and ensuring compliance with healthcare regulations. Committed to leveraging my clinical experience and attention to detail in a medical coding role to support accurate billing and documentation.

💼 PROFESSIONAL EXPERIENCE

GENERAL DENTIST

With 4 years as a General Dentist, I have developed expertise in diagnosing and treating dental conditions, managing patient records, and ensuring regulatory compliance. My clinical experience has provided me with a strong foundation in medical terminology and documentation. Transitioning to medical coding, I bring a keen eye for detail and a deep understanding of healthcare processes, positioning me to deliver accurate and compliant coding efficiently.

🎓 EDUCATION

DUBAI	**Medical Coding** **Skyline Institute** • Extensive training in ICD-10, CPT, and HCPCS coding systems. • Solid foundation in medical terminology, anatomy, and healthcare documentation. • Emphasized precision in coding, with a strong understanding of billing procedures and regulatory compliance.
INDIA	**DEGREE (BACHELOR OF DENTAL SURGERY)** **AMRITA VISHWA VIDYAPEETHAM UNIVERSITY** • Comprehensive education in dental sciences, including clinical practice, oral surgery, and patient care. • Developed a deep understanding of human anatomy, pathology, and pharmacology related to dental treatment.

🧠 SKILLS

ICD-10, CPT, and HCPCS Coding
Proficient in applying medical codes for various procedures and diagnoses.

Anatomy & Physiology
In-depth understanding of human anatomy and physiology, essential for accurate coding.

Billing & Reimbursement
Knowledgeable in billing processes and insurance claims, ensuring accurate reimbursement.

Software Proficiency
Experienced with medical coding software and electronic health records (EHR) systems.

Medical Terminology:
Strong command of medical language and terminology.

Healthcare Documentation
Skilled in reviewing and interpreting medical records for precise coding.

Regulatory Compliance:
Familiar with healthcare regulations and standards, including HIPAA, to maintain compliance.

Problem Solving
Ability to identify and resolve coding discrepancies and errors efficiently
