## ABOUT ME

Dedicated and compassionate registered nurse with 4years of experience in both Medical & Surgical, Pediatric, Gynecology Outpatient Department, and Intensive Care Unit (ICU) settings. Proficient in utilizing electronic health records and adhering to stringent infection control protocols. Adept at conducting rapid patient assessments, implementing emergency medical procedures, and collaborating seamlessly within multidisciplinary teams. Possesses strong knowledge of advanced life support measures and implementing advanced nursing interventions to optimize patient outcomes. Exceptional communication and interpersonal skills ensure effective patient advocacy and support. Adept at working as a collaborative team member to ensure that patients receive the highest level of care possible. I aim to leverage my experience and knowledge to effectively fill the Registered Nurse position at your institution the growth of organization and grow with it.
