## DHA REGISTERED DIALYSIS TECHNICIAN

+971522605756, +971564798118 @ musmiriyu@gmail.com 📍 Dubai, UAE

### SUMMARY

Highly skilled and DHA-registered Dialysis Technician with extensive experience in operating various dialysis machines including Fresenius, NIKKISO, and Gambro. Proficient in all aspects of dialysis procedures, from setup to monitoring, and adept at responding to emergencies. Committed to providing compassionate care and ensuring patient comfort throughout treatments while maintaining strict adherence to medical protocols and standards.

### EXPERIENCE

Dialysis technician 2020 - 2021

**Apollo Dialysis private limited** Chennai, India

- Conducted over 500 dialysis procedures using various machines, ensuring optimal treatment for patients with kidney failure
- Successfully performed needle insertions through AV Fistula and AV Graft for more than 200 patients, maintaining a sterile environment and minimizing discomfort

Dialysis technician 2019 - 2020

**Satyam Kidney Care center** Coimbatore, India

- Carefully monitored and treated outpatient dialysis sessions for an average of 10 patients per day, demonstrating efficiency and attention to detail.
- Recorded vital signs, including post-dialysis weight, temperature, blood pressure, pulse, and respiration rate for each patient, maintaining accurate medical records.

Assistant Dialysis Technician 2018 - 2019

**Aswin Hospital Coimbatore** Coimbatore, India

- Managed the disinfection of HD & RO machines on a daily basis, ensuring compliance with infection control protocols and controlled infection rate more than 50%
- Responded promptly and effectively to over 50 dialysis-related emergencies, demonstrating calmness under pressure and quick decision-making skills.

### MY LIFE PHILOSOPHY

My life philosophy revolves around the belief that every action, whether assembling supplies or responding to emergencies, should be executed with compassion, diligence, and a commitment to excellence. In the realm of dialysis care, I strive to bring comfort, healing, and dignity to each patient, embodying the values of empathy and professionalism in every task.
