SUMMARY

Highly motivated and experienced Registered Nurse with 5 years of clinical experience seeking a challenging role where I can utilize my expertise in patient care, care planning, and medication administration to contribute to a positive and effective healthcare team.

PROFESSIONAL EXPERIENCE

Al Dan Medical Centre (Riyadh, Saudi Arabia)

05/10/2022 to 27/11/2024

Staff Nurse (Emergency)

- Provide immediate and effective nursing care to patients in critical or emergency situations.
- Triage patients quickly and accurately according to the severity of illness or injury.
- Document all nursing actions, patient responses, and clinical changes promptly and accurately.
- Ensure compliance with infection control, safety, and quality standards within the emergency unit.
- Administer medications, IV fluids, and emergency treatments as prescribed by physicians.

Sreechand Speciality Hospital, Kannur, India

01/06/2021 to 25/08/2022

Staff Nurse (Infection Control Nurse)

- Monitor, identify, and report healthcare-associated infections (HAIs) in accordance with infection control protocols.
- Implement and oversee infection prevention and control (IPC) measures throughout the facility.
- Conduct routine surveillance rounds to ensure adherence to aseptic techniques and hygiene standards.
- Train healthcare personnel on standard precautions, hand hygiene, PPE usage, and waste management.

KMC Hospital, Mangaluru, India

21/11/2018 to 30/03/2021

Trainee & Staff Nurse (Medical & Surgical Ward)

- Provide comprehensive nursing care to patients in both medical and surgical units under the supervision of senior staff (during trainee phase).
- Administer prescribed medications and IV fluids, and monitor patients for side effects or reactions.
- Assist with diagnostic procedures and treatments, such as catheterization, nasogastric tube insertion, and dressing changes.
- Support patient's emotional and psychological needs, promoting comfort and recovery.
