## SKILLS

- Laboratory Equipment Proficiency
- Microbiological Techniques
- Molecular Testing
- Automated Lab test analysis
- Quality control and Assurance
- Data Entry and Record Managements
- Safety & Compliance
- Sample collection & preparation

## EDUCATION

### MANIPAL ACADEMY OF HIGHER EDUCATION

MANIPAL, KARNATAKA, INDIA

JUL 2018 - AUG 2021

Bachelor of Science: Medical Laboratory Technology

## CERTIFICATIONS

- **Healthcare Professional Registration Certificate**  
**Ministry of Health & Prevention (MOH) -UAE –**  
Evaluation letter reference no- 313296, Issued on Oct 2024
- Participated in training Program on Unexplored Aspects of Pipetting at KMC Hospital Manipal, Issued on March 2023.

## WORK HISTORY

### MEDICAL LABORATORY TECHNOLOGIST

KASTURBA MEDICAL COLLEGE & HOSPITAL, MANIPAL | UDUPI, KARNATAKA, INDIA

OCT 2021 - FEB 2024

- Passionate Lab Technologist with 2+ years of experience in NABL, NABH, ISO15189 Certified hospital.
- Performed Polymerase Chain Reaction (PCR) by conventional method, DNA extracting technique, Microplate biofilm assay.
- Hands on experience in Antibiotic Susceptibility Testing (AST) Manual & Automation (VITEK2 Compact).
- **Microbial culture, Isolation and Identification (MALDI-TOF)** of Pathogens using a variety of techniques including **Gram staining, special stains, Biochemical tests.**
- Managed the preparation of Culture media and reagents, ensuring **Quality control & proper storage.**
- **Microbiological techniques** essential for specimen collection, handling, preparation, processing and storage.
- Monitored & Implemented strict adherence to **Biosafety and infection control protocols** to prevent contamination and ensure a safe laboratory environment.
- Analyzed, prepared and documented microbial results and timely reporting of laboratory results.
- Participated in **Research initiatives**; contributed to advancements in the field.

### LABORATORY INTERN

MANIPAL COLLEGE OF HEALTH PROFESSIONS | UDUPI

AUG 2020 - AUG 2021

- Gained experience in **Hematology**, performing blood analysis and understanding blood disorders.

## PERSONAL DETAILS

**Date of Birth / Age:** 09/05/1997

**Nationality:** INDIAN

**Marital Status:** Married

**Visa Status:**

Resident Visa - Valid Till Sep-2026

**Passport:** B7982163

- Assisted in **Microbiology**, working on the culture, identification and antibiotic sensitivity testing of microorganisms.
- Participated in **Immunohematology**, performing blood grouping, cross matching, and transfusion-related testing.
- Worked in **Histopathology** and **Cytology**, assisting in tissue processing, staining, and microscopic examination for pathological diagnosis.
- Developed proficiency in **Clinical Biochemistry**, performing tests on blood & body fluids to assist in diagnosing diseases.
- Ensured adherence to **Laboratory safety protocols** and maintained high-quality standards in diagnostic procedures.
- Demonstrated expertise in **Phlebotomy** techniques; facilitated smooth sample collection process.
- Maintained strict compliance with hazardous chemical safety policies, mitigating potential risks.
