EXPERIENCE

General Dentist

Care Dental Services, Dubai, UAE | Feb 2023 – Present

Provide full-spectrum dental care, including diagnosis, treatment planning, fillings, crowns, root canals, and extractions.

Perform periodontal treatments, prosthodontic restorations (dentures, bridges), and minor oral surgeries.

Utilize digital radiography for precise diagnostics and treatment monitoring.

Collaborate with dental specialists to ensure multidisciplinary patient care and high satisfaction rates.

Maintain accurate digital patient records while adhering to DOH and infection control guidelines.

General Dentist

Dr. Tariq's Dentistry, UAE | Dec 2018 – Sep 2022

Assisted senior dentists in complex procedures, including restorations, root canals, and surgical extractions.

Conducted oral examinations, preventive care, and patient education on hygiene practices.

Engaged in continuing education to stay updated with latest dental advancements and techniques.

Built strong patient relationships through clear communication and compassionate care.

House Surgeon

Peshawar Dental College, Pakistan | Dec 2017 – Nov 2018

Developed and executed personalized dental care plans for diverse patients.

Performed oral examinations, simple & surgical extractions, and restorative procedures.

Assisted in prosthodontic appliance fabrication (dentures, crowns).
