## Subject # Job Application (Female Nursing Staff)

---

12/07/2022

Dear Sir / Mam,

I'm pleased to write to you today regarding my application for the nursing position as a Staff Nurse in your organization. I believe my qualifications and experience make me an ideal candidate for this job.

I have a Diploma in Midwifery (Nursing 1 year) + (3 year Nursing Diploma) with 2+ years of proven experience effectively and efficiently managing both patients and staff. I am an extremely organized, calm, and patient professional with excellent healthcare skills. I have a passion for providing quality care to patients, and the necessary leadership skills to inspire other staff members to provide above standard levels of service.

In my last role of Experience as registered nurse at Doctor Hospital & Medical Centre Lahore Pakistan, I evaluate the medical conditions of up to 10 patients daily. I have developed and directed a rotational system to manage the care of patients and coordinate workforce management. During this time, I've been recognized as a dedicated, ambitious, and reliable person who has the ability to work without supervision.

Additionally, my experience as a Staff Nurse at Doctor Hospital & Medical Centre Lahore Pakistan helped me realize and implement clinical duties I learned during the course of my education. While employed there, I was commended for proficiently handling difficult situations with patients and their family members.

I believe a relationship with your Organization would be mutually beneficial, as I am seeking a challenging work environment where I can exercise my skills to the fullest extent. I look forward to hearing from you, and would love to explain my skills further during an interview.

Sincerely,

**Sobia Ali**
