To,

WHOMSOEVER IT MAY CONCERN.

I have completed **BACHELOR OF RADIOLOGY AND IMAGING TECHNOLOGY** from AAID University Uttar Pradesh and **I have more than 9 years of working experience as Radiology Technologist.** My project was based on Cerebral Hemorrhage with the help of CT which is included in my bachelor's course and six months' internship training from Elite Mission Hospital, Thrissur, Kerala, India. I would like to build my career in your company where I will have an effective environment to gather more knowledge, skills, and where my performance will meet your company's goals/needs.

Currently I work in Al Noor Polyclinic Dubai , before at Hi Care Medi clinic Eranakulam, prior to that I was in Yiacco- Adan Ministry Hospital Kuwait (1000 bedded), Sree Narayana Institute of Medical Science (600bedded) Kerala India, Krishna Diagnostic Centre Kerala, Elite mission hospital Kerala. etc

As a RADIOLOGY TECHNOLOGIST, I am able to handle all type of General Radiography Procedures, special procedures, Radiology database and application handling, Patient care & Safety, Modality Training and basic knowledge in CT, MRI and other Radiological equipment's. I am registered member of Indian Society of Radiology Technologist since 2007.

I believe that I could make significant contribution to your firm. If you are interested, please see my detailed curriculum vitae and contact me at above mentioned contact number or e-mail address so that I can provide you with any additional information you may require.

Yours sincerely
Radeeb.V.R
