PROFESSIONAL SUMMARY:

I am a certified Radiography Technologist with three years of comprehensive experience in CT scans, MRI, Mammography, X-rays, OPG, and CBCT. My skill set includes exceptional clinical, customer service, and communication abilities, along with a proven capacity to quickly learn and apply new concepts.

I am dedicated to joining a medical team that prioritizes the highest standards of patient care. I aim to secure a full-time position as a Radiologic Technologist in a dynamic and fast-paced environment, where I can utilize my educational and clinical skills to their fullest potential.

AREA OF EXPERTISE:

- Can perform all routine radiographic procedures in both **CR** and **DR**.
- Can perform **Mammography**.
- Proficient experience in **MRI** Routine planning for various parts of the body.
- Can perform **CT** as procedures plain and with contrast.
- Can perform **dental x-ray – OPG, CBCT**.
- Can perform **fluoroscopic** procedures.
- Knowledge of using PACS.
- Can properly use portable X-ray machines in patient rooms and emergency rooms.
- Can handle minimum and maximum number of patients.
- Intern Preceptor for the Radiology department.
- Computer literate in proper encoding of patients' records and specific exam details.
- Perfect customer service skills.
