Profile

A result-driven, self-motivated, and resourceful medical coder with two years of experience in radiology coding. I have professional experience in applying and evaluating various code sets. In my previous roles, I assigned ICD and CPT codes to patient medical records, ensuring accuracy in claims. I am looking for an opportunity to use my interpersonal skills in an organization where I can continue to learn and grow while utilizing my potential. I want to be a part of a dynamic team that works towards the growth of the organization.
