SUMMARY

Experienced Medical laboratory technologist with commended performance in analyzing laboratory assays and resolving complex clinical and instrument problems.

ACADEMICS

Msc. MLT - (2013-'15) Clinical Biochemistry	School of Allied Health Sciences, Manipal, Karnataka, India	Manipal University	Distinction (1st Rank)
Bsc. MLT - (2009-'13)	Sanjoe College, Ernakulam, Kerala, India	IGNOU University	Distinction

KEY SKILLS

- Charismatic, Dedicated, Self-motivated and Confident.
- Good Communication, Patient relationship and Inter-personal skills.
- A good improviser to immediate situations & handled jobs independently.
- Thorough knowledge in **MS Office** – Word, Excel & Power Point.
- Ability to work under pressure with excellent time management skills.

AREAS OF EXPERTISE:

Phlebotomy, Hematology, Blood Bank, Urinalysis, Coagulation, Biochemistry, Inborn error of metabolism, Microbiology, Immunology, Serology, Quality Control.

INSTRUMENTS & SOFTWARES HANDLED:

- Laboratory Information System **LIS** Software
- Instrumentation:

Biochemistry: J &J vitros5.1 FS, VitrosECI, Beckman coulter Immunochemistry analyzer, Erba XL200, Biomerieux MiniVidas, Interlab Genio S Automated Electrophoresis, ABL 80 Flex Blood Gas Analyzer, D-10 HbA1c Analyzer, Cobas6000 auto analyzer.

Hematology: Sysmex KX21, Beckman Coulter LH750, Erba Elite5

Microbiology & Immunology: BD Bactec Culture System, ELISA

Blood Bank: Biorad Automated ELIZA processor

WORK EXPERIANCE

Al Wahda Medical Centre, Sharjah, UAE

Laboratory Technologist, Feb 2018 - Present

- Laboratory Incharge
- Conduct lab tests in areas of haematology, biochemistry, urinalysis, and serology.
- Prepared samples and reagents for testing according to laboratory policies.
- Checking & release of all patient results.
- Handling and maintenance of Laboratory Equipments.
- Performed quality control and calibration of instruments.

Sadhu HI-Tech Laboratory, Kerala, India

Laboratory Technician, Dec 2016 - Jun 2017

- Prepared samples and reagents for testing according to laboratory policies.
- Checking & release of all patient results.
- Maintained Laboratory Equipments.
- Maintained documentation.

Amala Medical college Hospital, Trichur, Kerala, India

Laboratory Technician (Biochemistry dept.) ,Oct 2015 - Nov 2016

- Performed all Biochemistry tests and technical work using advanced technical equipment's.
- Performed all Fully-automated Biochemistry instrument maintenance, calibration & trouble shooting.
- Checking & release of all patient results.
- Demonstrated the ability to communicate test results effectively with physicians and nursing staff.
- Evaluated internal & external quality control program on all instruments.
- Maintained documentation.
- Handled Laboratory Information System LIS Software.

Sanjoe Hospital , Ekm, Kerala, India (Internship)

Laboratory Technician ,Jan 2013 - Jun 2013

- Phlebotomy
- Prepared samples and reagents for testing according to laboratory policies.
- Handling of microscopy, cellular fraction by centrifugation, colorimeter, chromatography, pH meter and electrophoresis.
- Haematology & Clinical Pathology: Performed PT, PTT, Hemogram, Body Fluids and Urinalysis. Inputting all data on computer and provided test results to physicians.
- Biochemistry: Performed all Biochemistry tests and technical work.
- Microbiology:..Prepared testing culture media, stains, and reagents. Performed isolation and culture of microbes from samples. Also done antibiotic susceptibility testing.
- Blood bank &transfusion medicine: Carried out direct and indirect anti-human globulin test, blood grouping and routine compatibility testing. Performed blood transfusion, and storage.

LICENSURES & CERTIFICATES:

- Medical practitional license, MOH, UAE. License No. T47106
- Training certificate of DXI 600 Beckman Coulter System, 2016.
- Laboratory Safety, Manipal University, 2015.

AWARDS:

- Manipal University 1st **Rank** Holder in MSC. MLT '15
- Awarded a **Best Outgoing Student** certificate of Msc.MLT of the year 2015 from Manipal University, Manipal.

POSTER PRESENTATION:

- *Proportion of contrast induced nephropathy in patients underwent coronary angiography*, Students Research Competition 2015, Manipal University, Manipal on 8th April 2015.

DISSERTATION:

- *Acute Kidney Injury In Patients Underwent Coronary Angiography-An Evaluation Of Biochemical And Hematological Parameters* under the guidance of Dr.Saleena Ummer V.

PROFESSIONAL MEMBERSHIP:

- Life member of Paramedical Council of India – K6043
