## EXPERIENCE

---

### CYTECARE HOSPITAL, BANGALORE,

*May 2023 to Present*

- Led diagnosis and management efforts for lung cancer patients within a collaborative, multidisciplinary team at the Oncology Centre.
- Proficiently handled related comorbidities associated with lung cancer, ensuring comprehensive patient care and treatment.
- Contributed actively to treatment planning, participated in tumor boards, and maintained detailed patient records to optimize care delivery and outcomes.

### VYDEHI INSTITUTE OF MEDICAL SCIENCES AND RESEARCH HOSPITAL, BANGALORE

*June 2019 to May 2023*

- Conducted classes and mentored medical students and postgraduate trainees as an assistant professor.
- Additionally served as a consultant pulmonologist overseeing daily operations in OPD, RICU, and inpatient units.
- Proficient in interventional procedures including flexible bronchoscopy, medical thoracoscopy, intercostal drainage, and USG-guided biopsy.
- Established and managed a state testing facility for COVID-19, conducting daily screenings in OPD and overseeing inpatient management.

### ARMY MEDICAL CORPS - INDIAN ARMY, WELLINGTON, TAMIL NADU

*August 2015 to March 2016*

- Specialized in handling emergencies such as bomb blasts, gunshot wounds, and stab injuries, receiving extensive training for these situations.
- Proficient in managing mass casualties, implementing triage systems, and coordinating critical patient airlifts. Also responsible for issuing fitness certifications for infantry units, ensuring their health and fitness standards were maintained.

### CENTRAL RESERVE POLICE FORCE (CRPF), BELAGAVI

*May 2015 to August 2015*

- Sole medical officer at a commando training camp, accountable for the fitness and healthcare of all soldiers.
- Conducted routine health check-ups and issued fitness certifications for the soldiers under training.

### SDS TB & RAJIV GANDHI INSTITUTE OF CHEST DISEASES, BANGALORE.

*May 2013 to April 2015*

- Contributed to the Cardiothoracic Surgery Department, assisting in various procedures: lobectomy, thoracotomy, lung decortication, and excision of hydatid lung cysts, thymic cysts, and mediastinal masses.
- Provided emergency surgical care for cases involving road traffic accidents (RTA) and lung trauma.
- Skilled in managing Inter Costal Drainage (ICD) and supported bronchoscopies alongside minor OT procedures including emergency first aid, wound sutures, fine needle aspiration cytology (FNAC), and biopsies.
