Passport Details

- **Place of Issue:** Pakistan
- **Passport No:** DK6974112
- **Date of Expiry:** 23 Nov 2027
 - **DOB:** 8th Jan 1996
- Visa:** Vist visa UAE
experty 2ND March 2022

Skills

- ✓ Problem Solving
- ✓ Radiation protection
- ✓ Patient Handling
- ✓ Communication Skills
- ✓ Patient Safety

Language

- English - **Expert**
- Urdu - **Native Speaker**
- Pashto - **Native Speaker**

Conferences, Trainings and Workshops

- **Basic Life Support Program**
Shifa International hospital
Islamabad. (Nov-21-2017)
- **Attended training (04 hr) on Radiation Safety Program**

Shifa international hospital
Islamabad
- **Conducted and Attended first aid training by Resscue 1122**

Professional Summary

Certified Imaging Technologist (DHA ID: 10146214) with an extensive experience of over three years in MRI, CT, X-ray, Fluoroscopy and DEXA, including Dental imaging OPG, CBCT. Highly motivated and accuracy driven as correct diagnosis leads to correct treatment. Expertise in functional accountability of radiographic positioning & techniques including quality control, patient care, clinical safety, customer service, teamwork, process optimization and compliance of modalities. Towards my educational background, I hold a bachelors in Diagnostic radiology from Shifa Tameer e Millat University link with Shifa International Hospital Islamabad JCI recognized . During this course, I was trained in human anatomy, radiation physics, medical imaging and emergency medical situations.

Professional Experience

Islamabad Diagnostic Centre

May, 2019 to July, 2022

Imaging
