To whom it may Concern,

I am writing to express my keen interest to work in your organization. With over 20 years of experience as a General Practitioner, including 7+ years in the UAE specializing in emergency medicine, I possess a strong track record of managing high-pressure environments and providing exceptional care to a diverse range of patients.

Throughout my career, I have thrived in fast-paced settings with a busy patient turnover. I am equally adapt at managing critical situations in the Emergency Department (ED) and conducting comprehensive patient assessments through history taking, physical examinations, and case presentations during ward rounds.

My commitment to providing holistic care extends beyond emergency medicine. I am skilled in managing obstetric and gynaecological emergencies, conducting normal vaginal deliveries and offering OPD care for gynaecological and antenatal needs. Additionally, I have experience handling pediatric emergencies and providing consultations in PEADES OPD settings.

Here are some key highlights of my Expertise:

- **Emergency Medicine Expertise:** Proficient in managing a wide range of acute illnesses and injuries in the ED.
- **Obstetrics & Gynaecology:** Skilled in handling emergencies, deliveries (normal), and providing OPD care.
- **Pediatrics:** Experience in managing pediatric emergencies and conducting PEADES OPD consultations.
- **Critical Care:** Proven experience leading and managing teams in Intensive Care Units (ICU) and Neonatal Intensive Care Units (NICU).
- **Post-Operative Care:** Skilled in providing comprehensive care for patients recovering from surgery.

I am confident that my extensive experience, diverse skillset, and unwavering commitment to patient care make me an ideal candidate for this position. I am eager to contribute my expertise to your esteemed institution and provide compassionate, high-quality care to your patients in need.

Thank you for your time and consideration. I look forward to discussing my qualifications further in an interview.

Sincerely,

Dr. Fariha Jawed
