Worked as a General Practitioner in Al Abeer medical center Jeddah from 1<sup>st</sup> June 2008 till 1<sup>st</sup> September 2014.

Hospitals King Abdul Aziz hospital and oncology center Jeddah kingdom of Saudi Arabia from 29<sup>th</sup> of September to 29<sup>th</sup> of June 2008.

ICU Resident worked in intensive care unit ICU in King Abdul Aziz hospital and oncology center from 29<sup>th</sup> of October 1993 Till 5<sup>th</sup> May 1996 as a Resident Doctor..

Worked in Accident and Emergency medicine in King Abdul Aziz hospital and oncology center Jeddah kingdom of Saudi Arabia as a Resident.

King Abdul Aziz hospital is recognized for post graduation study with 420 beds where I worked under well experienced specialists and famous professors./ During ICU Resident ship I learned mechanical ventilators about to use and keep to continue putting central lines cvp lines.

As Accident and emergency department is very big department where most of patients comes here due to all facilities and near and heart of city .it always remains with rush and we deal there all accidents and cardiac cases and all orthopedic cases I can manage due to long enough experience and also due to worked as a screening doctor and after that I can manage all types of CPR cases. Like cardiac and severely injured cases which are mostly Road traffic cases and they are always brought by Red Crescent team.

I can manage all medical all types of surgery all types of ob/gyn.and all types of emergency and family cases.

Started to joined a private hospital in cardiac and general hospital Karachi as a medical officer from August 1993.where I worked with cardiologists and mostly seen all cardiac cases.

Education MBBS RMP from Liaquat medical college and university of Sindh Pakistan in 1989.
